

Friday 17th July 2026

Dear Families,

On **Wednesday 2nd September 2026 after 6pm**, Autumn Term 2026 clubs will be open for booking on **SchoolsBuddy**. We will be changing the way we sign up for clubs this academic year. We will be coming away from preferences booking and moving on to first come first serve.

We are now doing instant booking which will mean you need 50% upfront before paying for clubs and wraparound care and then pay the balance in the next four weeks (week 5 of the term). This change will help us make sure we have some funds for the running cost of each club.

Please do not book your child's WAC 1 provision until you have booked your club.

However, if you need Childcare for the first week back, please book via ADHOC sessions.

Due to the changes you will now know actually what club your child is in, however late payments and outstanding fees can affect your child's places.

In the below pages, you will find details of each of the clubs running before school (8:00 am – 8:45am), and after school (3:30pm – 4:30pm).

Payment Details

- Most provision is booked and paid for on SchoolsBuddy. A link or details will be sent separately if external.
- Each club costs around **£9.50 per session**, and you'll be charged for the **whole** term, some clubs may be higher (this covers costs for staffing and purchasing resources).
- All provisions are booked on a first come first serve basis so please be sure which clubs you would like to join.
- Clubs will only be allocated to children whose accounts are fully paid up.

Please note for pupils eligible for the pupil premium grant, one club is available free of charge and additional wraparound care or clubs are available to book at a 50% discount.

Reminder: All previous club and wraparound provision payments must be settled by end of term. Any outstanding payments after this date will result in your child not being assigned clubs until this is rectified.

Girls strength club – Year 5 and Year 6 – Mr Freddie Myers

One of the most common things I hear from parents of girls at this age is that they can see their daughter's interest in being active starting to slip.

That's the reason this club exists.

Around Y5/6 is where the drop off starts. Girls stop putting themselves forward, stop wanting to be picked, stop enjoying sport. Not all at once but over a couple of years.

This club is where we turn that around. Small group of 12, girls only, real strength and movement fun. Delivered so they leave feeling stronger, more capable and actually looking forward to next week. Learning skills, developing age appropriate strength, having fun and tackling challenges. Delivered in an environment designed specifically for girls.

They will work their way through the Gladiator Pathway: 5 progressive levels from Recruit to Titan, tracked in a personal logbook that follows them through their whole journey with us

This will not be on Schoolsbuddy, a link to book will be sent to you.

The programme is run in partnership with Richmond Lacrosse Club who run U8, U10 and U13 teams for boys and girls, so there are lots of local opportunities to pursue the sport for those who enjoy this after school club.
